OBJECTIVE

I graduated from Colombia College Chicago May 2018 with a Bachelor's Degree in Film and Television Arts. I studied Directing, Producing, Editing and Screenwriting. I am going to work in the T.V and Film industies, creating a more visual representation of scripts as an actor and filmmaker. While learning from others and gaining the experience needed, to grow my resume and evolve as a Filmmaker. I am a versatile worker, able to do what ever the company needs.

EDUCATION

Columbia College Chicago
Bachelor of Arts
Cinema Art & Science
September 2014-May 2018

EXPERIENCE

Riverside TV | Production Assistant
2013-Present

I have experience behind the camera working on village and township board meetings. I have also done audio. With pre-production; setting up microphones, XLRs, snake box and setting up cameras. Also I have recorded holiday events for later broadcast, such as the holiday stroll. I can also make cables like XLRs and an understanding of engineering.

Artifact | Producer & Line Producer
July 2020-Present

Line Producer / Producer gaining new clients, creating budgets and leading the crew on pre-production through post.

WHITE_TIGERS | Produced, Directed, and Co-Edited
April-November 2017

I produced, directed, and co-edited a Kickstarter video for I am Brave and Unafraid by Arielle Turover Cohen.

SKILLS

With being so versatile, I can operate a camera and know my way around a production from pre production to post production. I work quick to find solutions to problems that arise, that work for everyone involved. I always stay positive and focused goals set.
